

Todd Is Going To Kenya!!!!!!

Hello family and friends,

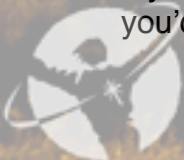

As most of you know God has called me to full time ministry. As part of my calling He has been developing me in various areas: music, worship, stewardship, teaching, preaching, leading, and missions. I've been all over North America blessing and using my various gifts for God. I also have, as Pastor Dan puts it, an alms giver's heart but now even that's being stretched and extended into the realm of overseas missions.

I currently have the opportunity to go to Kenya (without my wife this time) with a small team to the Kipkaren Orphanage. We will be teaching the children many things including Christian ethics and God's empowerment. I really do need your prayers for the two weeks in August I will be there. I need prayer for continued for health, finances, but especially for the need to bless the children with the teaching that will enhance their wisdom and development. I need that rhema

word that will bless and mature them. This is not a vacation or sight seeing trip but an opportunity to grow and become a better leader and pastor.

I would also like to give you the opportunity to sow financially into this quest. I really had a hard time putting this letter together. I should have had it done a month ago but I have difficulty mentioning money in these rough economic times. The truth is that I will have to cancel my trip without financial help. I'm already doing fundraising and self sacrifice but I don't have the 3000 dollars it will take to get there and back for those two and a half weeks. I don't expect anyone to give even close to the full amount to help me, but drops in a bucket will eventually add up to fill it. 50 dollars, 20 dollars, 10 dollars, and even 5 dollars will help get the bucket full. My church has set up an account for me so your donations can even be tax deductible if you'd like.

All you have to do is send a check or money order (cash if you're daring) to our church like this:

Water of Life Community Church
Attn: Global Outreach Dept
7623 East Ave
Fontana CA 92336

Please annotate: Kenya 1 Team - Todd Lynch
And it will be credited to my mission account. If I can't get enough for this trip, I have up to a year use it so maybe Kenya 2 or 3.

And... if you can't do anything your prayers are much appreciated!

Thank you so much for reading this.

Blessings
Todd Q Lynch
